Who Should Attend?

- This program is for healthcare professionals and all who care for clients infected with HIV, including physicians, physician assistants, nurses, social workers, AIDS service organization personnel, case managers, peer counselors, outreach workers, and program administrators.

Registration Deadline:
March 1, 2005

Educational Objectives

- After this program participants will be able to:
- Summarize the trends in medical HIV care at the national and local level.
 - State what case management services are and how to access these services in Adams County.
 - Describe the impact of mental health issues on people living with HIV/AIDS.
 - Paraphrase the intent of ACT 148, Confidentiality in HIV Information and its impact on HIV care, treatment and prevention
 - Explain the need for HIV/AIDS prevention education.

Conference Contributors

- The mission of the **AIDS Planning Coalition of South Central PA** is to develop and manage the planning processes which support the implementation of a collaborative, multi-service delivery system serving communities impacted by HIV/AIDS.
- The Pennsylvania/MidAtlantic AIDS Education and Training Center** provides HIV/AIDS related training, education, and information to healthcare providers in Delaware, District of Columbia, Maryland, Ohio, Pennsylvania, Virginia, and West Virginia.
