

Peace Camp 2016 took place from June 6 to June 10 at Fairfield Mennonite Church in Fairfield, Pennsylvania. "Loving Our Neighbors: Refugees in America's Past, Present, and Future" was our theme. We learned about refugees from around the world who made their way to America and brought with them their language, religion, food, dress, music, and customs. Pilgrims, the Jewish people, and refugees from China, Africa, the Middle East, and Ireland, among other peoples, overcame great obstacles and have contributed to life in the United States today. As children for peace, we will continue to learn about our neighbors and find new ways to welcome them.

*The Interfaith Center for Peace and Justice of Gettysburg/ Adams County
thanks you for your participation in Peace Camp 2016.*
